NOTICE OF AN INDEPENDENT SOLAR ENERGY PRODUCER CONTRACT

(Pursuant to California Public Utilities Code Section 2869 (b))

NOTICE IS HEREBY GIVEN THAT:

This real property is receiving part of its electric service from an independent solar energy producer that has retained ownership of a solar electric generation system that is located on the real property. The independent solar energy producer provides electrical service to the current owner of this real property through a long-term contract for electric service. The independent solar energy producer is required to provide a copy of the contract to a prospective buyer of the real property within ten (10) days of the receipt of a written request from the current owner of this real property.

This recorded notice does not constitute a title defect, lien or encumbrance against the real property.

The full street address of the real property is 4724 W 147th St, Lawndale, CA, 90260 and is owned by **ARCENIO MARTINEZ**. The assessor's parcel number of the real property is 4078-007-007 .

The name, address and telephone number of the independent solar energy producer are as follows: SolarCity Corporation, 3055 Clearview Way, San Mateo, CA 94402, attention: Recording, telephone: 1-888-765-2489, option #2.

The Power Purchase Agreement (PPA) contract is for the purchase of electricity from a solar energy system. The term of the contract is **20 years (240 full calendar months)** from interconnection of the solar energy system, and is estimated to commence on 12/02/2015 and expire on 12/02/2035 .

If the current owner's rights and obligations under the contract between the independent solar energy producer and the current owner are transferred to a new owner of the real property, with the consent of the independent solar energy producer, the new owner will then assume those rights and obligations. Those rights and obligations, both payment and performance, are stated in the contract. If the current owner's rights and obligations under the contract are not transferred to a new owner, whether or not the contract is terminated, the new owner will not have the right to possess or use the solar energy system.
